Foreword

Since 2017, the Planning & Development Department (P&DD), GoAJ&K has been committed to providing a reliable and comprehensive source of statistical data through the annual publication "Azad Jammu & Kashmir at a Glance". This initiative aims to offer a concise yet insightful overview of the region's socio-economic landscape. The current edition marks the 8th in this series, continuing our mission to deliver accurate and up-to-date information to support evidence-based planning and informed decision-making.

This publication serves as a vital resource for state functionaries, researchers, scholars, planners, students, and other stakeholders. By disseminating critical data on a regular basis, we strive to foster a culture of transparency, accountability, and informed policy formulation.

In this edition, we have incorporated several changes to improve the quality and utility of the brochure. These include the re-categorization of key indicators and the adoption of an online data collection process to ensure greater efficiency and accuracy. The updated version reflects our ongoing efforts to align with best practices in data management and dissemination. For wider accessibility, the booklet is also available on the official website of the P&DD AJ&K (www.pndajk.gov.pk/ajkboshome.php).

I extend my heartfelt gratitude to all those who contributed their time, expertise, and efforts to the compilation of this document. Your dedication has been instrumental in ensuring the success of this initiative. I also welcome any feedback, suggestions, or recommendations from readers to further enhance the quality and relevance of future editions.

May Allah Almighty guide us on the path of progress and prosperity, and may His eternal blessings and kindness continue to illuminate our efforts (Aameen).

(Atif Rehman)
Additional Chief Secretary (Dev.)
